

**Guideline RoHS (directive 2011/65/EU & 2015/863/EU)**

Dear Ladies and Gentlemen,

We kindly ask you to certify that the products that your company is delivering to us comply with RoHS in its current valid version.

This certification must refer to all products delivered to the WILO SE; this includes the materials as well as all auxiliary substances and additives used during the manufacturing process: including also packaging materials, labels, etc.

In order to confirm the above-mentioned requirements, the WILO attached document can be used as a template or format. Alternatively, an own declaration of conformity can be used containing the following minimum requirements: delivered products, conformity declaration related to the last version of the guideline considered, date, and signature.

For your understanding and support, thanks a lot in advance.

With best regards

Wilo SE  
Group Purchasing
