# Safe Drinking Water for everyone

## Fresh pure and mineral rich water

## Simple access to safe water:

### Wilo-Safe Water

*Wilo-Safe Water delivers the futuristic solutions for safe drinking water.*

#### Features

- Best in class quality of “Medical Grade Filter Technology”
- Takes out bacteria, viruses, legionella
- Feed water TDS (Total dissolved solids) up to 2000 mg/l, SIBR (Smart Integrated bio-remover)+RO (Reverse osmosis) system will be useful to dynamically maintain the desired minerals with less operational wastage of water (SIBR- 0%, SIBR+RO <40% ) as compared to existing solutions in the market. This is more sustainable solution
- System compatible with DC power, inverter and solar power
- Cost-effective, plug & play solution with extremely low energy consumption & integrated self-check system
- Water wastage is less than 5%\*
- Chlorine/Chemical free safe water
- No civil work easy installation and operation

#### Safe and readily available water

for a better future.

Water Kiosks, where formal water providers supply safe water at affordable price, have proven to be an appropriate and efficient solution, providing water to a large number of residents.

#### Optional Features

- Battery\*\*/Inverter\*\*/Solar Operated
- Remote monitoring system
- Accountability option for daily transaction

#### Medical Device & Service Company

Filtration of blood and for patient with end stage renal disease in dialysis clinics

#### Medical Filtration Competence

#### Pump & System Manufacturer

Pump & systems in buildings, water/waste treatment plants and industries

#### Pump & System Intelligence

\*Depends on feed water

\*\*For water dispensing unit

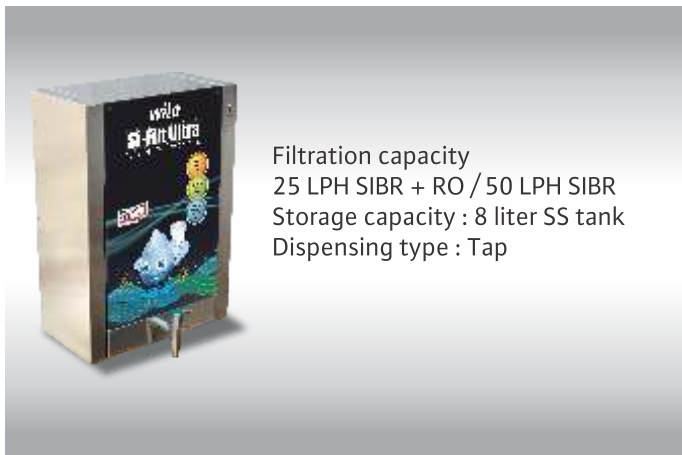

# PURIFYING WATER. WITH PASSION.

Filtration capacity  
25 LPH SIBR + RO / 50 LPH SIBR  
Storage capacity : 8 liter SS tank  
Dispensing type : Tap

Filtration capacity  
25 LPH SIBR + RO / 50 LPH SIBR  
Storage capacity :  
20 liter LLDPE tank for normal water  
20 liter SS tank for cold water  
Dispensing type : Foot operated

Filtration capacity  
25 LPH SIBR + RO / 50 LPH SIBR  
Storage capacity :  
30 liter LLDPE tank for normal water  
40 liter SS tank for cold water  
5 liter SS tank for hot water  
Dispensing type : Contactless

Filtration capacity  
16 LPH to 1666 LPH  
Storage capacity :  
Safe water from  
tank to taps
