

2024 - North America - 60 Hz.

Boxed Products Catalog

Pumps and systems for HVAC, water supply, drainage, and sewage.

**WILO SOLUTIONS
FOR YOUR QUICK NEEDS.**

Product	Line	Type	Application
	Wilo-Star-S	3-Speed Wet Rotor Circulators	Hot Water Heating Systems, Cold Water, AC Systems, Water/Glycol Concentrations up to 50%, Solar, Geothermal
	Wilo-Star	Residential Wet Rotor Circulator	Hot Water Heating Systems, Cold Water, AC Systems, Water/Glycol Concentrations up to 50%, Solar, Geothermal
	Wilo-Star E 21	EC Motor-Driven, High-Efficiency, Wet-Rotor Circulator	Heating and Cooling, Industrial Circulation, Water/Glycol concentrations up to 50%, Solar, Geothermal
	Wilo-Top S	Commercial Wet Rotor Circulator	All types of Hot Water Systems, Closed Cooling Circuits, Air Conditioning Systems, Industrial, Circulation, Water/Glycol concentrations up to 50%, Solar, Geothermal
	Wilo-Z 15+	Timed and Constant Speed Circulating Pump	Domestic Hot Water Recirculation
	Wilo-Startos MAXO	High Efficiency Smart Circulator	Hot Water Heating Systems, AC Systems, Closed Cooling Circuits, Industrial Circulation Systems
	Wilo-Stratos MAXO-D	High Efficiency Double Smart Circulator	Hot Water Heating Systems, AC Systems, Closed Cooling Circuits, Industrial Circulation Systems
	Wilo-Stratos MAXO-Z	High Efficiency Circulator	Drinking Water, Domestic Hot Water, Circulation Systems, Hot Water Heating Systems, AC Systems, Closed Cooling Circuits, Industrial Circulation Systems

Product	Line	Type	Application
	Wilos-Stratos-GIGA	High Efficiency In-line Pump	Hot Water Heating Systems, Industrial Circulation, Closed Cooling Circuits, AC systems, Solar/ Geothermal
	Wilos-Helix EXCEL (Only 304)	High Efficiency Multistage Pumps, Single-Pump Booster	Water Supply and Pressure Boosting, Process Water, Washing/ Sprinkling, Industrial Circulation, Cooling Circuits, Agriculture/ Irrigation
	Wilos-Rexa CUT	Submersible Sewage Pumps with Macerator	Domestic Sewage, Municipal Pressure Sewer, Residential Pressure Sewer
	Wilos-ECC	Submersible Sump Pumps	Sump & Effluent, Dewatering, Drainage
	Wilos-ECS	Submersible Sump Pumps	Sump & Effluent, Dewatering, Drainage
	Wilos-WCC	Sewage/Effluent Pumps	Residential Sewage & Effluent, Drainage
	Wilos-TWI 4"	4" Stainless Steel Submersible Well Pumps	Potable Water Supply, Irrigation, Municipal, Pressure Boosting, Agriculture, Industrial Process
	Wilos-TWU 4"	4" Stainless Steel Well Pumps with Noryl Impellers	Potable Water Supply, Irrigation, Municipal, Pressure Boosting, Agriculture, Industrial Process

Product	Models	Type	Application
	Wilo-SPI 6", 7"	6", 7" Stainless Steel Well Pumps	Potable Water Supply, Irrigation, Municipal, Pressure Boosting, Agriculture, Industrial Process
	Wilo-Motors (4", 6", 7")	4", 6", 7" Submersible Motors	Potable Water Supply, Irrigation, Municipal, Pressure Boosting, Agriculture, Industrial Process
	Weil 1408-OSS - 1-1/4" Dis 1411-OSS - 2" Dis 1412-OSS - 1-1/2" Dis 1432-OSS - 2" Dis 1456-OSS - 2" Disc High Head	Elevator Pump with Oil Smart System (Elevator)	Commercial and Industrial Elevator Sump
	Weil-1432	2" Submersible Wastewater Pump	Residential and Commercial Wet Wells and Elevator Pits
	Weil-1434	2" Submersible Stainless Steel Pump	Chemical Applications
	Weil-3701	1-1/2" Self-Primer Pump Cast Iron and Stainless Steel	Clear and Gray Water Pumping
	Weil-3702	1-1/4" Shallow Well Jet Pump	Irrigation, Residential and commercial
	Weil-2411	2" Submersible Wastewater Pump 115V 2" Solids	Residential and Commercial

Product	Models	Type	Application
	Weil-2417	2" Submersible Wastewater Grinder Pump 115V	Residential and Commercial
	Weil 1453 (1-1/4") 1454 (1-1/2") 1456 (2")	Submersible Wastewater Pump 115V	Residential and Commercial, Clear and Gray water-High Head High Head (3500 RPM)
	Weil 1408 (1-1/4") 1409 (1-1/4") 1411 (2") 1412 (1-1/2")	Submersible Wastewater Pump 115V 1409 Includes a microswitch	Residential and Commercial, Clear and Gray water
	Weil-2448	1-1/4" Submersible Grinder Pump	Residential and Commercial
	Weil-2449	2 Inch Submersible Grinder Pump	Residential and Commercial
	Weil 2613-2 (2") 2613-3 (3") 2613-4 (4") 2613-6 (6")	Submersible Pump Quick Removal Systems - Cast Iron	Wet Wells
	Weil 2613-SS (2") 2613-SS (3") 2613-SS (4")	Submersible Pump Quick Removal Systems - Stainless Steel	Wet Wells
	Weil 2616-2 2616-3 2616-4 2616-6	Duplex Wastewater Valve Assembly: 90° Ball Check Valves(2) 4 Way Plug Valve(1)	Wet Wells

Product	Models	Type	Application
	Weil-8126	Magnetic Pump Motor Starter	Controls One Three-Phase Motor with HOA Switch
	Weil-8131	Duplex Alternating Pump Control Panel	Controls Two Pumps 30 Amp Contactors
	Weil-8109	Simplex Pump Control Panel	Controls One Single-Phase Pump 115V 208-230V
	Weil-8112	Simplex Pump Control Panel	Controls One Single-Phase Submersible or Vertical Pump 115V
	Weil-8114	Simplex Pump Control Panel	Controls One Single-Phase Submersible or Vertical Pump 208-230V
	Weil-8125	Magnetic Pump Control Panel	Controls One Single-Phase Motor with HOA Switch
	Weil-8341	High Water Remote Alarm Panel	Provides an audible alarm in event of high water condition. Requires a float
	Weil-8251	Junction Box	Mounted above Wet Wells Cover

Product	Models	Type	Application
	Weil-8262	PLC Level Transmitters	Industrial and Commercial Wastewater, Sump, Groundwater, water tanks, and general clear water
	Weil-8400	Oil Smart Components	Pump Control and Oil Alarm for Elevator Systems
	Weil-8233	Tethered Level Control - Pilot Duty (Use with Control Panel)	Wet Wells
	Weil-8234	Tethered Level Control - Pilot Duty (Use with Control Panel)	Wet Wells Intrinsically Safe
	Weil-8235	Tethered Level Control	Wet Wells High Temperature
	Weil-8241	Tethered Level Control - Dual Float Piggyback: 120V 230V	Wet Wells
	Weil-8235	Tethered Level Control	Wet Wells High Temperature
	Weil-8241	Tethered Level Control - Dual Float Piggyback: 120V 230V	Wet Wells

Product	Line	Type	Application
	<p>Weil-8245</p>	<p>Tethered Level Control - Single Float Piggyback: 120V</p>	<p>Wet Wells</p>
